## Sam Enzer Featured on Unchained Podcast, “Why the SEC Lawsuit Against Consensys May Hold Little Ground”

**Date:** 07/10/24

CahillNXT co-chair and partner Sam Enzer joined Kayvan Sadeghi, partner at Jenner & Block, on the Unchained podcast, “Why the SEC Lawsuit Against Consensys May Hold Little Ground.”

In the episode, Sam and Kayvan analyze the SEC’s lawsuit against Consensys, which focuses on MetaMask’s swaps and staking services, and explore the implications of the SEC’s stance on MetaMask acting as a broker dealer and the classification of its staking product as a security.

They also discuss how recent rulings on Coinbase and Binance challenge the SEC’s claims and why differing judicial opinions might lead to the Supreme Court.
