

Cahill to Host “Offshore Wind Development and Financing in the U.S.” Program

Thursday, November 7, 2024 5:00 AM to Thursday, January 1, 1970 12:00 AM

Cahill will host a program focusing on offshore wind development and financing in the United States.

Moderated by partner Emeka Chinwuba, the panel discussion will outline strategies for successfully developing and financing offshore wind projects in the U.S. market and explore the unique considerations and trends impacting these developments.
