

Cahill Represents Lead Arrangers in Incremental Increase to Revolving Credit Facility for ProPetro Services, Inc.

Date: 06/02/23

Cahill represented the lead arrangers in connection with a \$75,000,000 incremental increase to the existing \$150,000,000 revolving credit facility with ProPetro Services, Inc. Proceeds from the increased revolving credit facility will be used for general corporate purposes. ProPetro is a leading integrated oilfield services company located in Midland, Texas.
