
Cahill Represents Lead Arrangers in Planview's Restated First and Second Lien Credit Agreements

Date: 12/27/24

Cahill represented the agent and lead arrangers in connection with over \$1 billion of new first lien term loans, \$270 million of new second lien term loans, and an amended \$75 million revolving credit facility for Planview Parent, Inc.

The new term loans refinanced existing indebtedness.

Planview, a TPG portfolio company, develops web-based resource and project portfolio management software solutions.
