

Cahill Represents Lead Arrangers of Incremental Term Loan to Finance Planview's Acquisition of Sciforma

Date: 02/10/25

Cahill represented the agent and lead arrangers in connection with \$265 million of new incremental first lien term loans for Planview Parent, Inc.

The new incremental first lien term loans were used to finance Planview's acquisition of Sciforma HoldCo S.A., a public limited company incorporated under the Laws of the Grand Duchy of Luxembourg, and for general corporate purposes.

Sciforma is a world leading Project and Portfolio Management software company recognized as one of the top providers of strategic portfolio management.

Planview, a TPG portfolio company, develops web-based resource and project portfolio management software solutions.
