
Cahill Represents Financing Sources in Bain Capital's Acquisition of HealthEdge

Date: 04/11/25

Cahill is representing the financing sources in connection with Bain Capital's acquisition of HealthEdge from funds managed by Blackstone.

Financial terms of the private purchase were not disclosed.

HealthEdge is a next-generation SaaS platform that connects health plans, providers, and patients with a suite of end-to-end digital solutions to automate operations, reduce administrative costs, and improve overall health outcomes.
