
Joel Moss Named 2024 Outstanding Restructuring Lawyer by Turnarounds & Workouts

Date: 01/03/25

Cahill partner Joel Moss has been named a 2024 Outstanding Restructuring Lawyer by *Turnarounds & Workouts*.

Joel is one of just 15 lawyers nationwide to be honored for working on some of the year's most significant restructurings.

Joel's recent work includes representing banks in the following (among other large and complex restructurings and workouts):

- **Lumen** in one of the largest out-of-court restructurings ever, which *Bloomberg* noted for its size and complexity and called "one of the largest piles of U.S. distressed debt;"
- **Rackspace** in restructuring a revolving credit facility, which faced unique challenges because of expected maturities and required liquidity infusion from certain term lenders; and
- **Radiology Partners**, the leading radiology practice in the U.S., in restructuring a \$1.89 billion credit facility, which helped extend debt maturities and enabled the company to raise additional preferred equity capital.
