

## **Ninth Circuit Antitrust Ruling Rejects Approach to Bundling Claims Adopted By Third Circuit in LePage's**

**Date:** 09/07/07

The antitrust significance of “bundling” has been a subject of enormous interest in both the business and academic communities over the last several years. The United States Court of Appeals for the Ninth Circuit this week weighed in with a decision explicitly rejecting the approach previously adopted by the Third Circuit sitting *en banc* in the *LePage's* decision.
